Mr. Frank Cawyer, Elder
Highland Avenue Church of Christ
Abilene, Texas

Dear brother Cawyer:

A few days ago, I talked by phone with John Allen Chalk concerning his conducting a gospel meeting for the church here in Stillwater. He told me that after the first of the year he would be living in Abilene and working full-time with the Herald of Truth and that you elders were planning his schedule from that time forward. He suggested that I write you concerning his being released to hold a meeting here at Stillwater sometime during the 1967-68 school year.

I am fully aware of how much in demand brother Chalk must be throughout the brotherhood and I know that he must be limited in the number of special invitations that he can accept. However, we here at Stillwater feel a special need for his services. Stillwater is the home of Oklahoma State University, the largest university in the State. There are 600 students who list the Church of Christ as their preference. Because of the college environment, special qualities are needed in the men who engage in evangelistic efforts here. We believe that brother Chalk has the abilities that are needed to appeal to the college trained mind. It is for this reason ~~that~~ we especially want to have him in a gospel meeting with the church here. Because of this unique situation, I sincerely hope that you will allow him the privilege of being with us for this special series. We would appreciate your answer at the earliest convenience.

May God continue to bless you in the great work that you are doing in his kingdom.

Yours in Christ,

Joe D. Schubert
